EQUIPMENT SUBJECT TO LEASE. The Lessor shall lease the equipment listed on the attached Exhibit A (the "Equipment Schedule").

RISK OF LOSS OR DAMAGE. The Lessee assumes all risks of loss or damage to the equipment from any cause, and agrees to return it to the Lessor in the condition received from the Lessor.

LEASE TERM. This Lease shall begin on the above effective date and shall terminate on _____.

LOCATION OF EQUIPMENT. The equipment shall be located or in the possession of _____, during the lease term, and shall not be removed from that location without the Lessor's prior written consent.

CARE AND OPERATION OF EQUIPMENT. The equipment may only be used and operated in a careful and proper manner. Its use must comply with all laws, ordinances, and regulations relating to the possession, use, or maintenance of the equipment, including registration and/or licensing requirements, if any.

MAINTENANCE AND REPAIR. The Lessee shall maintain the equipment in good repair and operating condition. The Lessee shall pay all costs required to maintain the equipment in good operating condition. Such costs shall include labor, material, parts, and similar items.

LESSOR'S RIGHT OF INSPECTION. The Lessor shall have the right to inspect the equipment during Lessee's normal business hours.

ACCEPTANCE OF EQUIPMENT. The Lessee shall inspect each item of equipment delivered pursuant to this Lease. The Lessee shall immediately notify the Lessor of any discrepancies between such item of equipment and the description of the equipment in the Equipment Schedule. If the Lessee fails to provide such notice before accepting delivery of the equipment, the Lessee will be conclusively presumed to have accepted the equipment as specified in the Equipment Schedule.

OWNERSHIP AND STATUS OF EQUIPMENT. The equipment will be deemed to be personal property, regardless of the manner in which it may be attached to any other property. The Lessor shall be deemed to have retained title to the equipment at all times, unless the Lessor transfers the title by sale. The Lessee shall immediately advise the Lessor regarding any notice of any claim, levy, lien, or legal process issued against the equipment.

INDEMNITY OF LESSOR FOR LOSS OR DAMAGES. If the equipment is damaged or lost, the Lessor shall have the option of requiring the Lessee to repair the equipment to a state of good working order, or replace the equipment with like equipment in good repair, which equipment shall become the property of the Lessor and subject to this Lease.

LIABILITY AND INDEMNITY. Liability for injury, disability, and death of workers and other persons caused by operating, handling, or transporting the equipment during the term of this Lease is the obligation of the Lessee, and the Lessee shall indemnify and hold the Lessor harmless from and against all such liability.

CASUALTY INSURANCE. The Lessee shall insure the equipment in an amount sufficient to cover the replacement cost of the equipment.

DEFAULT. The occurrence of any of the following shall constitute a default under this Lease:

- A. The failure to make a required payment under this Lease when due.
- B. The violation of any other provision or requirement that is not corrected within 5 day(s) after written notice of the violation is given.
- C. The insolvency or bankruptcy of the Lessee.

- D. The subjection of any of Lessee's property to any levy, seizure, assignment, application or sale for or by any creditor or government agency.

RIGHTS ON DEFAULT. If the Lessee is in default under this Lease, without notice to or demand on the Lessee, the Lessor may take possession of the equipment as provided by law, deduct the costs of recovery (including attorney fees and legal costs), repair, and related costs, and hold the Lessee responsible for any deficiency. The Lessor shall be obligated to re-lease the equipment, or otherwise mitigate the damages from the default, only as required by law.

NOTICE. All notices required or permitted under this Lease shall be deemed delivered when delivered in person or by mail, postage prepaid, addressed to the appropriate party at the address shown for that party at the beginning of this Lease.

ASSIGNMENT. The Lessee shall not assign or sublet any interest in this Lease or the equipment or permit the equipment to be used by anyone other than the Lessee or Lessee's employees, without Lessor's prior written consent.

ENTIRE AGREEMENT AND MODIFICATION. This Lease constitutes the entire agreement between the parties. No modification or amendment of this Lease shall be effective unless in writing and signed by both parties. This Lease replaces any and all prior agreements between the parties.

GOVERNING LAW. This Lease shall be construed in accordance with the laws of the State of Georgia.

SEVERABILITY. If any portion of this Lease shall be held to be invalid or unenforceable for any reason, the remaining provisions shall continue to be valid and enforceable. If a court finds that any provision of this Lease is invalid or unenforceable, but that by limiting such provision, it would become valid and enforceable, then such provision shall be deemed to be written, construed, and enforced as so limited.

WAIVER. The failure of either party to enforce any provision of this Lease shall not be construed as a waiver or limitation of that party's right to subsequently enforce and compel strict compliance with every provision of this Lease.

CERTIFICATION. Lessee certifies that the application, statements, trade references, and financial reports submitted to Lessor are true and correct and any material misrepresentation will constitute a default under this Lease.

ARBITRATION. Any controversy or claim relating to this Lease, including the construction or application of this Lease, will be settled by binding arbitration under the rules of the American Arbitration Association, and any judgment granted by the arbitrator(s) may be enforced in any court of proper jurisdiction.
